

You can sponsor a family in need to start a small business or learn a viable skill that will give them an opportunity to meet their basic needs and at the same time restore their dignity by breaking free from the chains of poverty. You can make a monthly contribution of £25 / €30 for a family's upkeep or a onetime contribution of £165 / €200 to provide a family with tools or use the gift to establish themselves in a business.
